CURATED PLAYLISTS

A great way to find music quickly is through our **Albums & Curated Playlists.** _Click here_ to get to the Creators Corner.

Psst! Can't find what you are looking for? Reach out to us! We have a Music Curation Team in place to help you take the next step with your storytelling.

MUSIC SEARCH

Music Search - a quick way of searching across all tracks in the catalog!

BROWSE & FILTER

Head over to Browse and narrow down your search result by filtering. Choose genre, mood, tempo etc.
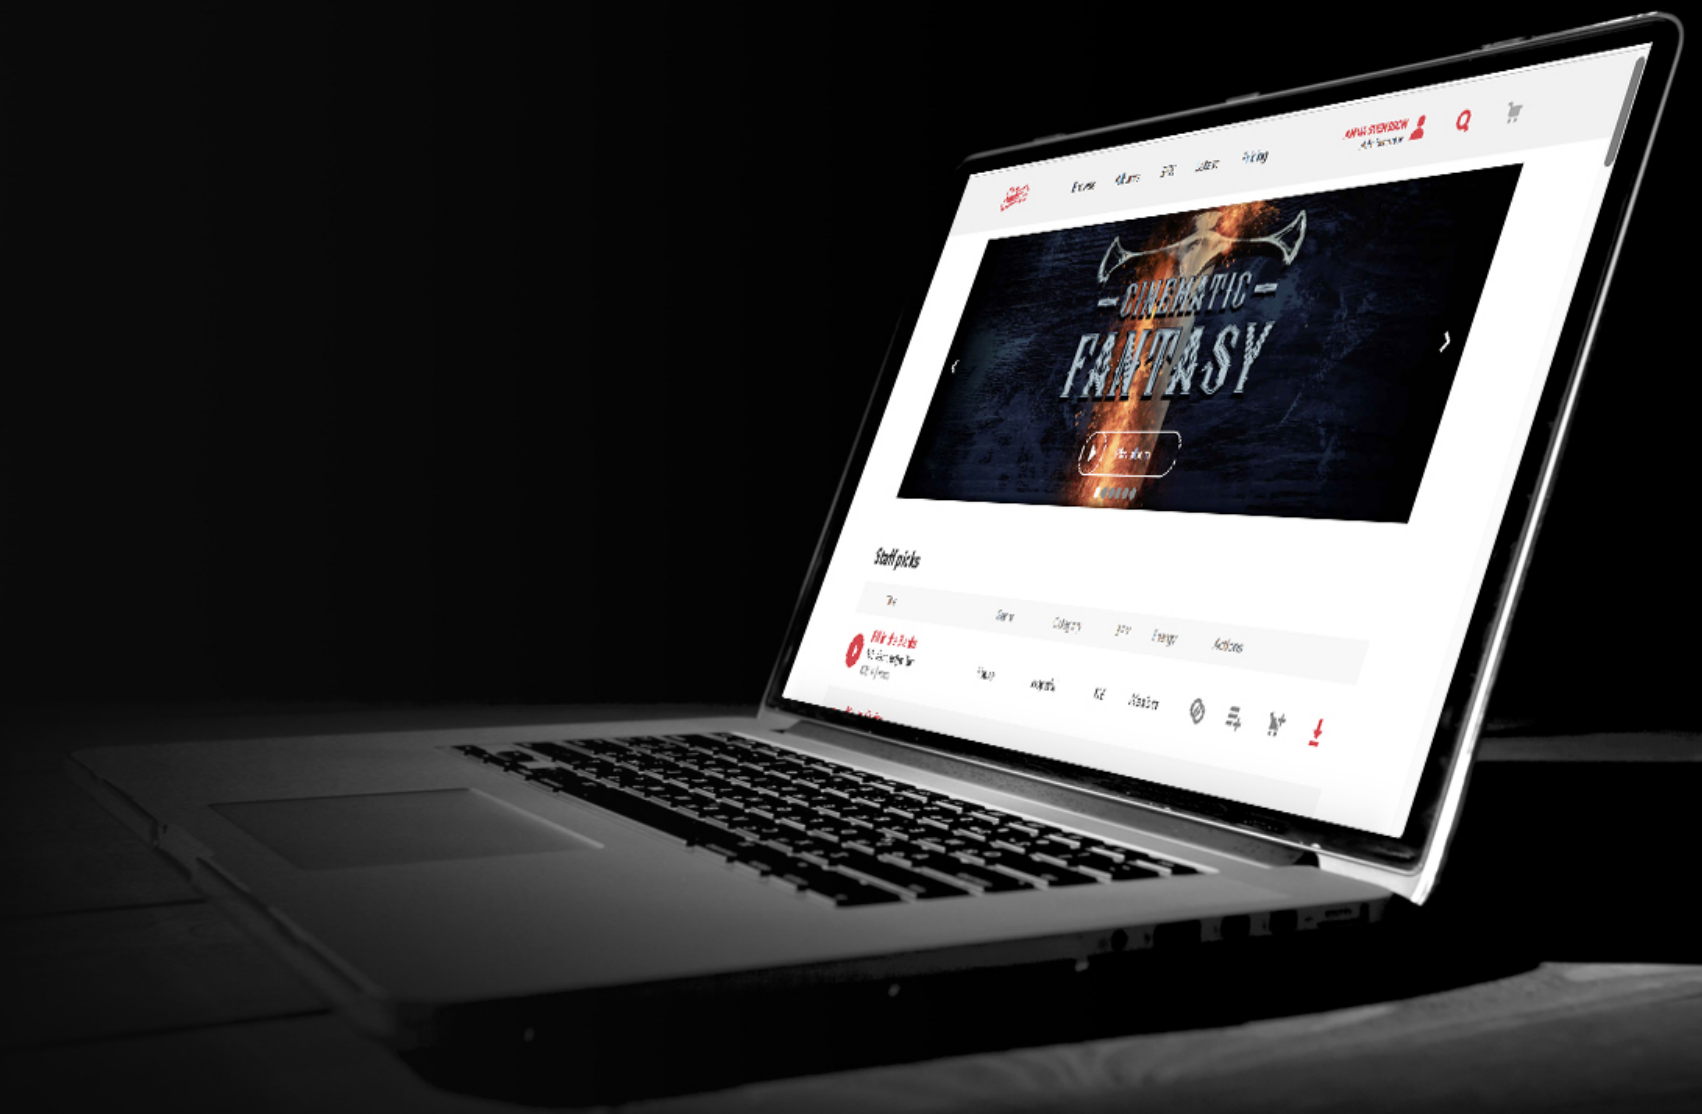

Get to know our
PLAYER

ALBUMS – theme/genre based compilations of different tracks

SERIES – a series of similar tracks made by the same composer

STEMS – Split compositions i.e. individual tracks where instruments can be heard and edited separately ***Click here for a video tutorial***

STINGS – short snippets that work perfectly for e.g. intros and outs

SFX *(sound effects)* - everything from human sounds to technology to cartoon to science fiction. The list is LONG, around 60K to be more precise

PLAYER TIPS

Use the **QUICK SEARCH** bar to search for a specific track or genre.

Search our **ALBUMS** to browse hand picked playlists in a variety of genres, moods and styles.

Check out **LATEST TRACKS** to sample new releases in a variety of genres.

Use the **BROWSE** function to narrow down your search by genre, tempo and mood.

SORT search results by genre, category, BMP or energy by clicking the search results subheadings.

Hit the **FIND SIMILAR** button to find more tracks in a similar style.

Sample the **FULL MIX** or individual **STEMS** of each track. **Click here for a video tutorial**

Create **PLAYLISTS** in your Projects under My Music. Save tracks by hitting the +icon next to a track and choose the playlist of your choice. **COLLABORATIVE PROJECTS** can be shared with your team or client.

Hit the **DOWNLOAD** button to download individual tracks (full mix and/or STEMS). All tracks can be downloaded in **WAV** or **MP3-FORMAT**, you can change this under your settings in the player.

Frequently asked

QUESTIONS

Do I have to pay for the music from Epidemic Sound that I use in my videos?

No. Greater Fool's agreement with Epidemic Sound gives all partners free access to use music from Epidemic Sound in videos created for the purpose of being uploaded on your Greater Fool partner channel.

How do I get access to the library?
Make sure you login according to your network's instructions, double check that all your channels are linked and visible in your account settings in the player. This procedure must be followed even if you already have an account prior this partnership.

Why is there a shopping cart next to the tracks, do I need to pay?
The short answer is "never mind the shopping cart". As a Greater Fool partner, you have free access to include music from Epidemic Sound in all videos created for the purpose of being uploaded on your Greater Fool partner channel.

Where do I find the license agreement?
All videos published on your channel are cleared by the agreement between Greater Fool and Epidemic Sound. You don't need to add anything to your cart or purchase a separate license. Just download and start creating!

How do I give credits?
To credit Epidemic Sound, include the following in your video description:
"Royalty Free Music https://epidemicsound.com"
You can also include a track link to the specific track/s you've used. Just press the arrow next to the song in the player, and a shareable link will be copied to your clipboard.

What happens if I receive a claim in content ID?
If you have created your account in the manner your network has instructed, you won't receive any claims from Epidemic Sound on your partner channels. If you accidentally created the account in a way that we couldn't have recognised you as a Greater Fool partner, please dispute the claim and refer to being a partner to Greater Fool.

What happens if I decide to leave my MCN one day?
All videos uploaded <u>during your partnership</u> are cleared in perpetuity.

What if I want to use the music outside my Greater Fool channel(s)?
Please contact your partner manager or Epidemic Sound at hello@epidemicsound.com
